MRV Fee Receipt

Already paid cash at a participating Cash N Go location:

If the applicant(s) have already paid the MRV fee at a participating Cash N Go location, the receipt number should be entered in the box next to applicant's name.

Note: If the fee is paid after regular banking hours or on a public holiday, it will not become available for use until the next regular banking business day. When an MRV receipt number has been entered for each applicant, click on the Submit button.

To pay cash at a participating Cash N Go location:

If the applicant(s) have not paid the MRV fee and would like to pay the fee, in cash at a participating Cash N Go location, a bank deposit slip should be printed for each applicant.

After the MRV has been paid, the applicant(s) should return to this page to enter the receipt number.

See [Fee Payment Options](#) for more information.
